4.1 Internet Allowance for Remote Work

2. Hybrid employees receive ₹1,000 per month if they worked remotely for at least 8 days in that month, as recorded on the Beacon People Portal.
3. Fully remote employees, approved under BT-HR-003, receive ₹1,500 per month.
4. The allowance is claimed monthly on the Beacon Finance Portal with a copy of that month's internet bill. Only one internet connection can be claimed.
5. No other home costs, such as electricity or rent, are reimbursed.

4.2 How to Claim

- All claims are submitted on the Beacon Finance Portal with scanned bills or invoices. Bills must show the date, amount and vendor name.
- Claims must be submitted within 30 days of the expense date (or month end in the case of internet allowance).
- Claims submitted 31 to 60 days after the expense need Department Head approval. Claims after 60 days are not paid.

4.3 Approval

Approval follows the same limits as BT-FIN-001: up to ₹25,000 by the Reporting Manager, above ₹25,000 up to ₹1,00,000 by the Department Head, and above ₹1,00,000 by the Chief Financial Officer.

4.4 Payment

Approved claims are paid to the employee's salary bank account within 10 working days of final approval.

4.5 Rejected Claims

If a claim is rejected, Finance will state the reason. The employee can appeal to the Finance Controller within 7 days.

4.6 Not Reimbursable

Personal purchases, fines and penalties, alcohol, gifts for colleagues, and expenses already paid by the corporate card (BT-FIN-003) are not reimbursed.

4.7 Genuine Claims

Duplicate, altered or false claims are treated as misconduct and may lead to disciplinary action, including termination.

4.8 When Leaving Beacon

All claims must be submitted before the last working day. Pending claims after exit are not accepted (see BT-HR-005).

5. Exceptions

- Claims without receipts above the local conveyance limit may be approved by the Finance Controller if the reason is genuine, such as a lost bill.
- The Head of HR may approve a higher mobile reimbursement for specific roles.
